Tips: You can try light fruited yogurt instead of plain, nonfat yogurt. These yogurts are fat-free and sweetened with aspartame. They have 100 calories per cup. You can add a sugar substitute when making the shake for a snack. Nonfat, low-fat and regular salad dressings are used in the menus depending on the amount of other fats in the meals. The portion sizes vary, depending on the kind of dressing used. If you are lactose intolerant try nonfat or 99% fat-free lactaid milk. If you choose not to use milk or yogurt, talk to your doctor about calcium supplements.
